# Better with Age...

Welcome to the 30th Annual St. Charles School Auction, Cheers to 30 Years! We sincerely express our appreciation and gratitude for all of the volunteers and committee members who have made this evening possible. Thank you to Stephanie Boyd and Tatum Clarke, Auction Chairs, for their efforts in creating a memorable event for our community.

We would also like to also thank Kristina Patrick, Jennifer Miln, Teri Shaughnessy, Sara Leoni, Lori Sweeney, Gina Stathacopoulos, Cori Kalinowski, Molly Butler, Elizabeth Mason, Jennifer Quevedo, Hilda Boscacci, Katherine DeBono, Paula Klemens, Katie Galvez, and Lisa Mackie for their individual and collective efforts on the extraordinary details that make tonight an evening to remember!

Thank you to all of the generous volunteers for the countless hours they have devoted to prepare this festive evening! The time and talent that each of you shares on behalf of St. Charles School fully demonstrates our community's sense of mission and generosity to Catholic education.

For more than 68 years, our parish school continues to prepare children to work and live as spiritual leaders, thinkers, accomplished learners, and responsible citizens. To prepare this auction our families, working as one community, reflect these values and demonstrate an ongoing commitment to the mission of St. Charles School.

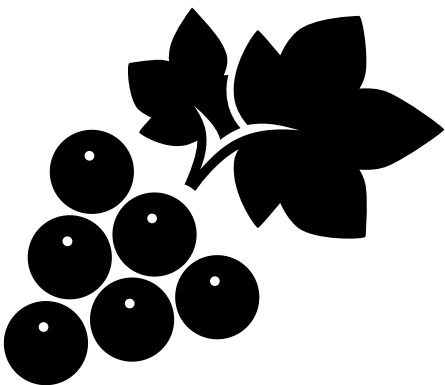

We are truly blessed with an abundance of creative, dedicated, and energetic families and friends at St. Charles School. Please enjoy this evening of community and hospitality with good friends, fine food, and dancing!

*But the fruit of the Spirit is love, joy, peace, forbearance,  
kindness, goodness, faithfulness, gentleness and self-control.*

*- Galatians 5:22-23*

On behalf of the entire auction committee we welcome you to Cheers to 30 years, the 30th Annual St. Charles School Auction! Tonight is a celebration of St. Charles and its community. As we come together this evening to celebrate we would like to thank our teachers, administration, and parish community for the support and care of our children. It is through their support and dedication that are children continue to grow and become well rounded spiritual individuals.

The strength of St. Charles also lies beyond that of the academic and spiritual support provided to our children each day. As a community the families of St. Charles are brought together in support of our children and mission of St. Charles school and parish. Tonight is a celebration of that blessing!

Thank you for your generosity and support this evening, as we as a community show our gratitude for St. Charles.

Enjoy the evening!

We find that the things really  
worth counting are never preceded  
by dollar signs.

At SSF, we find that giving back to the community to keep it strong and thriving is what really counts.

We are proud to sponsor **St. Charles Auction** – thank you for including us. It's just another reason for us to feel great about the community we live, work and play in every day.
