generously offered by

Make or bottle 144 bottles of custom labeled wine, valuing \$2160, which you can share with family and friends or keep these custom bottles all to yourself.

The winner of this very generous lot, courtesy of Domenico Winery, becomes a member of the Bacchus Winemaking Club. You choose to do the last step and bottle wine that is already in barrel with custom labels - or wait until harvest (Aug - Oct) and start the process from the beginning.
